Subject: letter of recommendation

I write this letter of recommendation for Ms. Natalia Fedorenkova with great enthusiasm for the exceptional quality of her work as a translator of English spoken language versus the Russian language.

She has been translating for our organization for a number of times and assisted us during our presentations and introductions to Russian companies in the city Moscow at our client's offices.

If you are looking for a motivated and skilled translator we recommend Ms. Natalia Fedorenkova as she is someone with high sense of accuracy and a pleasant person with reference to here qualities and assistants in general and detail.

Yours sincerely,
